

SAP B1 for Manufacturing Companies Only The Name SAP is Enough...

Client : India Based Client

Vertical : Engineering
Manufacturing

1.Pain Areas

- All operations on paper
- Unavailability of Inventory Status
- No better control over processes
- Unavailability of real time data
- No proper reports

3.Why SAP B1

- Very cost effective & user friendly solution
- Brand loyalty
- Assurance of quality and future support

5.Key Challenges

- Almost all operations on paper
- Lack of qualified manpower
- The manufacturing masters not available

2.Proposed Solution

- SAP Business One ERP Software

Implementation Partner

- Silver Touch Technologies Ltd.

4.Implementation Highlights

- Systematic approach
- Management involvement
- Entire manufacturing process on SAP B1 which was on papers earlier

6.Benefits

- An Integrated solution
- More structured data helps in strategic & operational decisions
- Proper & timely reports
- Enhanced control over business operations
